

# Retirement Interest Only Mortgage

## What is it?

Our Retirement Interest Only Mortgage (RIO) is an interest-only mortgage for clients aged 55 and over.

It enables them to take out a new mortgage or replace their current interest-only mortgage with one that allows them to continue making interest-only payments for the remaining time that they live in their home. They may also choose to take a larger mortgage than they currently have, subject to affordability checks, to use for things that they need or want.

### **It may not be suitable for clients who:**

- Would like to sell their property and not have an outstanding mortgage.
